It's Here!

What a joy to have the new Yinger Youth Center up and running! If you have not already seen how our old sanctuary area has been transformed into a state-of-the-art facility for our middle and senior highers, you must take a few minutes to wander through it, or plan to come to our official dedication during the Confirmation Class reception on May 16th after the 11 am worship service. The number of people who gave their time and expertise to this project is too large for singling everyone out, but I want to publicly thank the Youth Design team headed by Steve Hurst for their vision and leadership:

Faith Clune

Mona Earnest

David Bailey

Elise Port

Traci Blanks

David Reid

Mark Moore

Martha Blaess

Chris Palmer

Jan Fees

Ann Ozan-Willis

Chris Lashley

The hours and effort they gave in meetings, research, field trips and oversight went far beyond "required duty." Our youth and coming generations will be the direct beneficiaries of their labor!

I want you to be fully aware of the good stewardship involved in this \$1.5 million project. By deciding to remodel existing, underused space rather than building a separate center, we have saved future costs on utilities and new custodial staffing. By replacing old and tired HVAC units with new, efficient ones, our costs to heat and cool these spaces will decrease as well. And as part of the total makeover, FPCE received much needed new HVAC units, roofing and flooring for the Family Life Center, as well as a fresh paint job.

But of course, the main visual difference is the new Youth Center with all its audio-visual wonders, breakout rooms, gaming areas and snack bar-coffee center known as The Filling Station.

Timberlake Construction Co. oversaw this project from beginning to end, provided us the highest quality of workmanship and product, and came in under budget! We have much to be grateful for, indeed!

To date, we have received roughly \$1.15 million toward the total cost of our new youth center. The remaining \$350,000 we have covered temporarily through our Stone by Stone reserves, but we are hoping to raise this needed amount by further gifts from folks who are able, having seen the finished product!

Our dream as a church is that the Yinger Youth Center will be a warm and inviting place where youth from our church and our Edmond community (including Central Middle School just across the street) will discover Jesus Christ and deepen their life in him, and find encouragement to build their lives around his love and teachings so that they become lifelong disciples who increasingly impact this world for his glory!

Thank you again for the part that you are playing in making this vision a reality!

*Yours in Jesus' Name, Mateen
Senior Pastor*

The Yinger Youth Center by Night

IN THE BEGINNING God created the heavens and the earth. Now the earth was formless and empty, darkness was over the surface of the deep, and the spirit of God was hovering over the waters.

Genesis 1:1-2 NIV

The Yinger Youth Center by Day

AND GOD SAID, “Let there be light,” and there was light. God saw that the light was good, and he separated the light from the darkness. God called the light “day,” and the darkness he called “night.” And there was evening, and there was morning—the first day.

Genesis 1:3-5 NIV

The Youth Center Mural Project

the {challenge}

We chose the location of the mural far before we thought of the concept. Our goal was to tie the family life center in with the new youth center, and give the newly painted walls some color and personality. Soon after we decided the mural would be broken up into three separate canvases and painted as one 4 ½' X 36' art piece, the brainstorming challenge began.

the {inspiration}

Our inspiration was "Love, Love Serve," which is being developed as the mission of student ministries. *Love God, Love Others and Serve!* I asked Shelly Frank, a good friend of mine, and an Advertising major at the University of Central Oklahoma, to team up with Zena Nipper and myself in creating the design and completing the project. Together, we decided to use the tree of life concept and add a whimsical element into the branches. The lively and spiritual nature of this piece was to become the source of inspiration for other artwork that was chosen for the center.

the {thought process}

We wanted to incorporate "Love, Love Serve" into the piece itself, which challenged our creative minds in ways it could be done. We came up with several ideas, but chose to hide the words in the branches. Then we added a caterpillar biting into the symbolic apple on the left canvas and a butterfly on the right. The butterfly and caterpillar symbolize the transformation from old life to new life. Finally, we added the verse John 15:5 to the middle piece to tie it all together.

celebration! {the end result}

I could not be more enthused about the end result. We worked on each piece separately, and didn't get to see them put together to reveal the whole tree until the day the new youth center opened. I am extremely proud of the hard work put in by both Shelly and Zena! It is truly unbelievable to see the talent that others have been blessed with- used for God's glory!

TURNINGpoint » and God's Vision

By Martha Turner

How large is God's vision compared to ours!

THE INITIAL CONCEPT of Turning Point Ministry was to provide affordable Edmond housing for some single mothers and handicapped situations already on our radar. Little did we realize God's vision would take this small unassuming idea further than we could have imagined. Edmond's First Presbyterian Church had provided the resources for a number of Habitat homes in the Oklahoma City area but in recent years, none of the homes were in Edmond.

Our community had an obvious need, so how hard would it be to bring Habitat to Edmond? And how hard would it be to build to ADA standards when merited? As it turned out, harder than we imagined. Habitat wasn't building in Edmond because of the high price of land. In addition, Habitat hadn't been building to ADA compliance because of the additional cost involved.

We wondered: what if there was a non-profit ministry to bridge the gap between the Edmond community, the needs of the handicapped and Habitat? What if several Edmond churches, civic organizations, and the City of Edmond were to work together? *What if?* Two of the Turning Point Board members had served on the Central Oklahoma Habitat Board and an informal partnership was established. The idea was Turning Point would purchase lots for Habitat builds in Edmond. A couple of lots were located in existing neighborhoods and became the first two brick Edmond Habitat homes. The first was for a Santa Fe High School teacher- a widow with two children, including one with several challenges. The second home was for a single woman confined to a wheel chair since birth. This home won the "Clearing the Path Award" presented by the OKC Mayor's Council on Disability - a unique recognition, considering the home is in Edmond!

So far so good, but finding suitable building lots soon became impossible. As is often the case, God stepped in with "Plan B." One of Turning Point's Board Members was a

land developer and quite suddenly, a parcel of land became available near downtown Edmond that was perfect for a small new neighborhood. *"Buy it,"* whispered God. Could Turning Point take on this significant financial commitment? *"Buy it,"* whispered God again. A local bank provided a favorable mortgage and a substantial HUD grant was obtained through the City of Edmond for the infrastructure. Within a short time, Legacy Station, located just west of the downtown Post Office, was platted for 12 Habitat homes.

The first resident in Legacy Station will become a homeowner this summer. She is a public school teacher of autistic children. As a single mother of four (one with extensive medical needs), she never dreamed she would ever be able to provide her family with the security of homeownership.

When the land for this new community was acquired, it came with a small frame home that would have to be removed to make way for a street. Our initial goal was to trash it but just days before its removal a tornado destroyed some homes north of Edmond. A couple of teens recognized a woman standing by the road after her mobile home was destroyed. They shared their discovery with their parents and we were able to donate the home to be moved. A Bible study group committed to make it livable. God smiled and said, *"I will provide - just watch!"*

Soon, we recognized that we would need a professionally designed video to share with other churches and civic organizations. The cost of this would be far beyond our financial resources, but we prayed for guidance and, once again, God was faithful. Two men, both experienced in video production, donated their time and resources- and a local tv newscaster stepped in to become the voice. *"See,"* said God, *"didn't I say trust me?"*

There was another need. As low income families move

from Section 8 toward homeownership, they must rent a home for at least one year. However, because Edmond is a university town, nearly all rentals are occupied by students at rates far beyond the means of those coming out of subsidized apartments.

OUT OF THE BLUE, a Realtor called with a perfect home, not yet exposed to investment buyers. Then, another property followed. *"See,"* said God, *"I've got you covered!"* Time passed as time does and Turning Point continued focusing on providing safe, clean shelter for those who had been living in substandard situations. God, of course, was planning far beyond our dreams.

When we visited with one sister church, we learned of an existing ministry with a Section 8 apartment community in Edmond. They had identified about 50 youngsters eager to attend Sunday school and Bible school. Although too large for one church, networking connected several churches and God said, *"Your shelter goals are fine, but just watch what happens when I multi-task!"*

As we expanded into the community, volunteers from the church connected with those unchurched. Then God said: *"See, reaching out is good - remember what I said about multi-tasking?"* We shouldn't have been surprised! The Bible provides several examples of God's vision and the smallness of the goals of us humans. It was God's vision that Moses would lead the people out of Egypt to the Promised Land. The problem: *Moses had plenty of excuses and was unable to catch the vision right away.*

IT'S FASCINATING how Moses struggled to reach the point of surrender. On the other hand, there is Paul on the road to Damascus when God approached him in a way that would certainly get his attention. Paul was given a vision

» We honor the self worth of our clients with a "hand up" rather than a "hand out."

which seems to have unfolded over time. His surrender preceded his awareness of the vision. As Turning Point has grown, those involved have learned to surrender, and this, too, is part of God's vision.

His vision is never fully realized by a single person or even by a single interested group. God's vision is vast and takes many hands and hearts - working together, sometimes over long periods. Entire lifetimes can pass and we may never realize the magnitude and direction of God's plan or how many it will touch along the way! Turning Point got its start with a small group who wanted to meet a social need, providing affordable housing in Edmond. God's vision was so much larger, moving along paths we never imagined.

The Ministry of Music is thrilled to again host an Arts Camp for kids entering 2nd through 6th grade. Since its inception five years ago, the week long Summer Arts Camp at First Presbyterian has served over 250 students, instructing and encouraging them how to serve God through their gifts and talents in the arts.

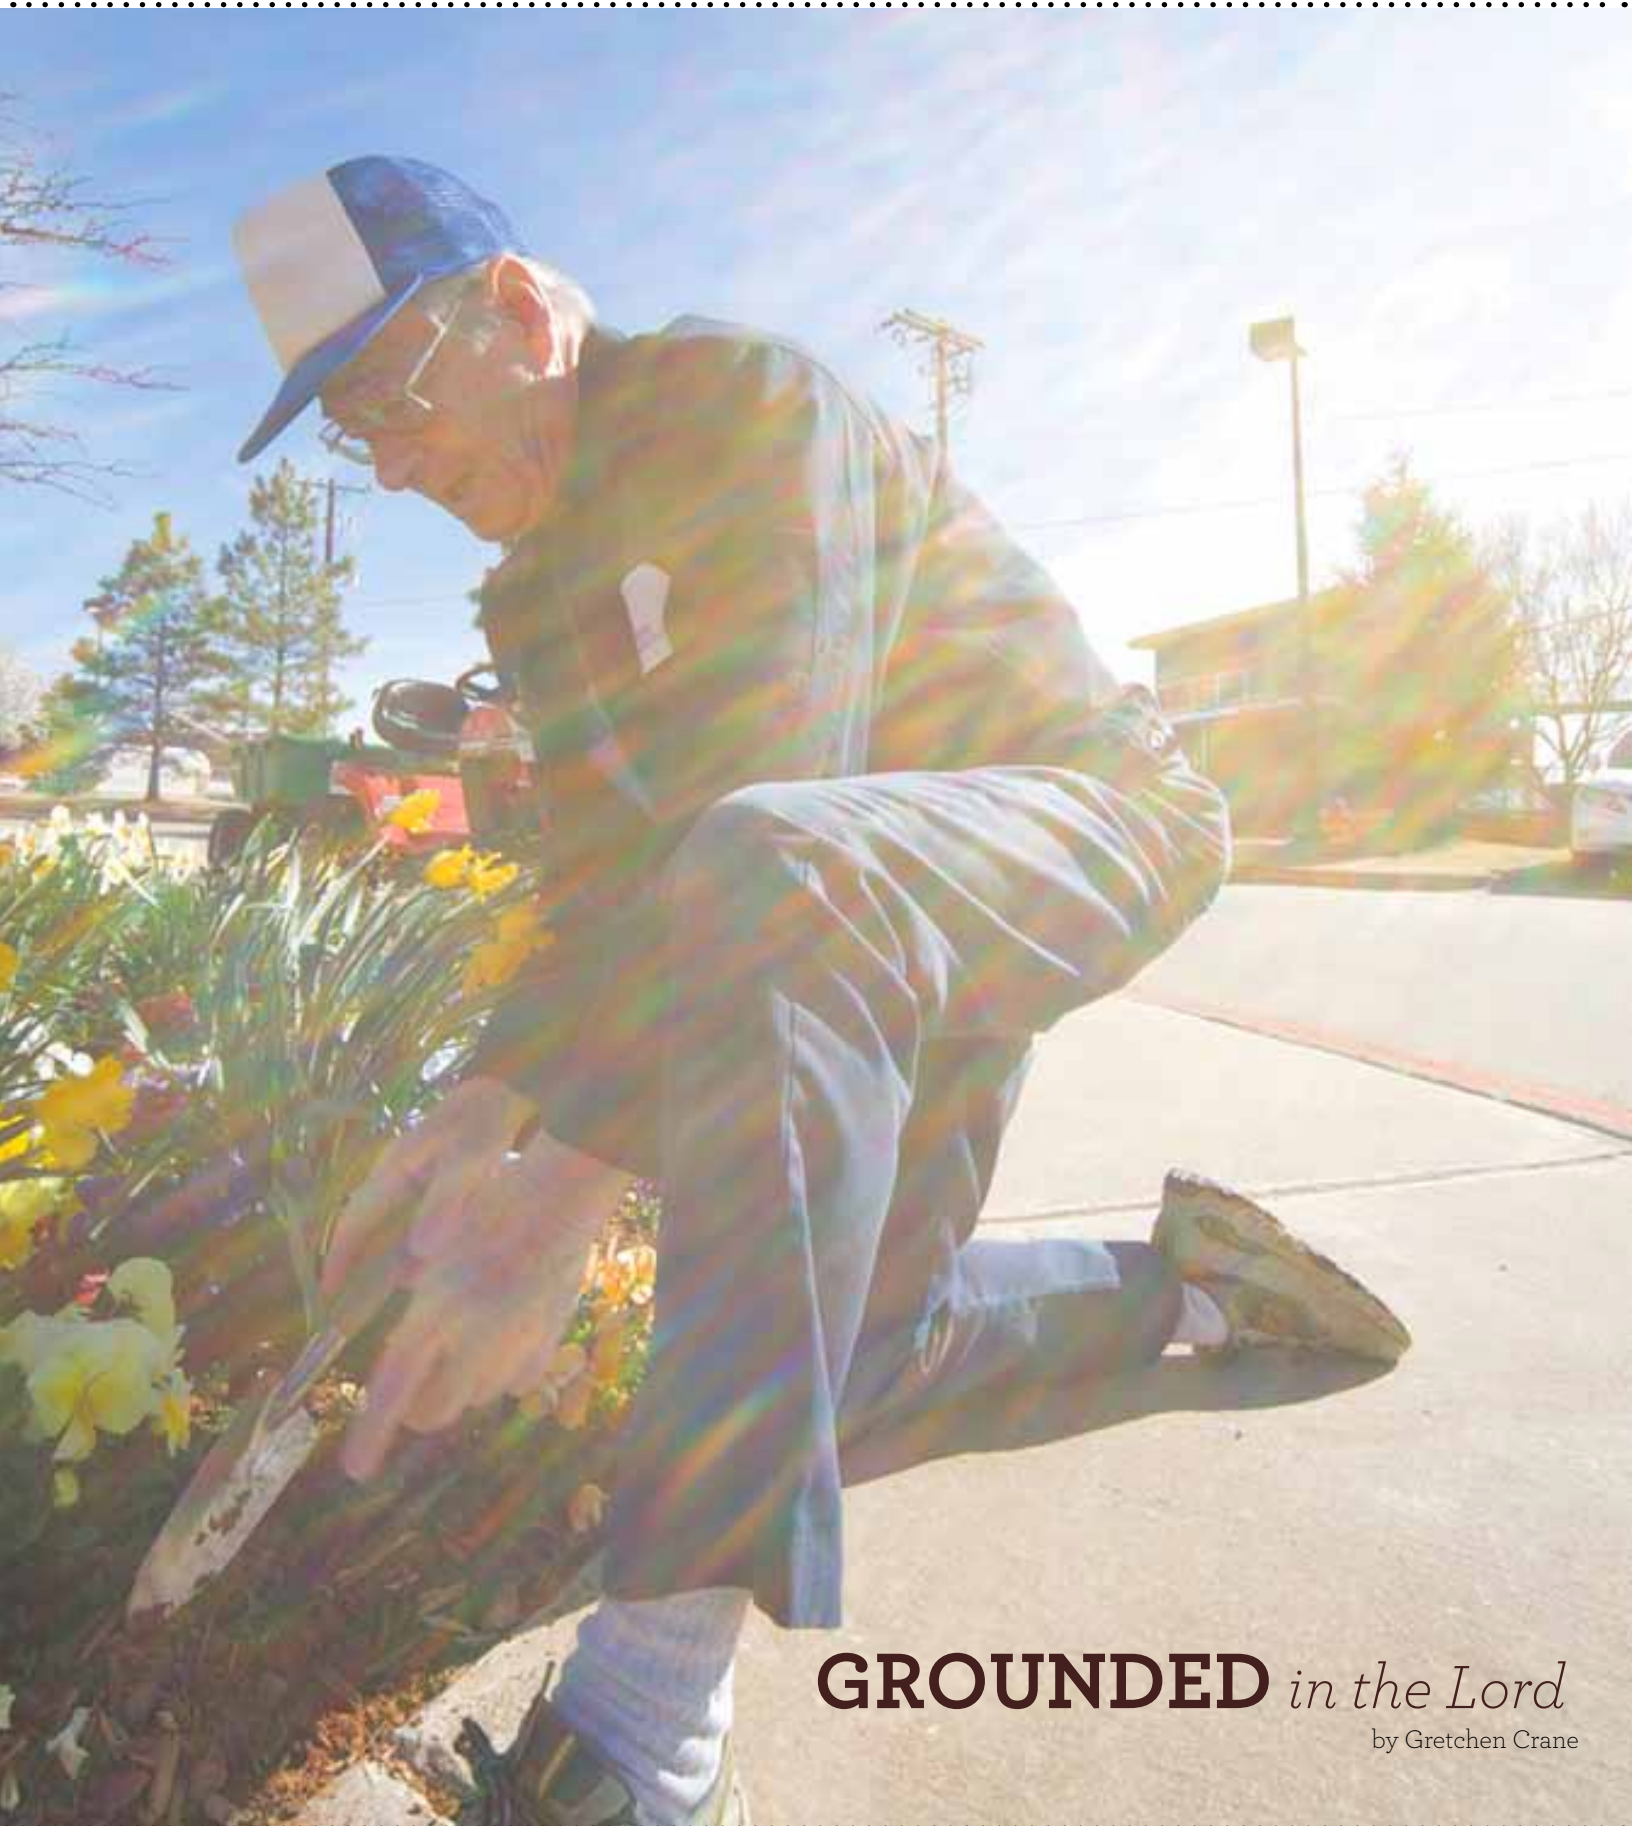

"Made for Praise" arts camp is as an outreach to students of our community and our church members. Each year, the camp enrollment among community members has been over 60%. Several families have visited our church after their student has been involved in the camp. Five families have placed membership at our church as a direct result of this camp.

The 2010 Arts Camp promises to be an experience in which students will grow in Christ and within themselves. An essential element of each day will be a time for worship. Each day of camp begins with worship and ends with worship. Based on scripture, worship sessions are a time to teach the students about the glory of God and about how they can be participants of that glory. This year, the camp will run from 8:45 am -3:30 pm each day, with a closing event on Friday evening. In addition, campers will participate in a service project and enjoy games during the lunch break.

The strength of this arts camp is in its class offerings. Input from former students has helped us build a program that promotes student success. This year we will be offering classes in Creative Writing, Drama, Drawing, Paper Art, Percussion, Photography, Praise Team, and Recorder. Another huge strength is the quality of directors (Jim VanHemert & Michele Baker) and instructors with whom we have been blessed. Many are either educators within the Edmond Public Schools and other school districts, or they are educated and welltrained in their field. Having instructors that are highly qualified, and know how to work with children is a blessing to any camp!

Details & Registration Information Coming Soon!

We have all heard the old saying “April showers bring May flowers,” but our May flowers had a little help from our very own **Jim Pennington**.

GROUND*ED* in the Lord
by Gretchen Crane

Long before winter snow melts and the first green shoots of life appear in our church flower beds, Jim works to prepare the soil, plant the bulbs and sow the seeds.

Jim does a task that truly brings the entire community a vivid picture of Jesus’ *Parable of the Sower*. He plants the seeds in the good soil and waits patiently, believing that God will bring a bounty of beauty. Jim is a man of deep faith who loves to study the Word of God. He has a rich history of service to his family, his faith and FPCE.

Jim and his wife Raymona, both born in Oklahoma, were married in 1956 and have been married for 54 years and After immigrating to Canada, where they raised their five sons, they moved back to Oklahoma in 1992 to care for their aging parents. Jim began working at FPCE in 1993 and has lived in two separate homes near the church, so he has been able to keep a close eye on every single flower bed, tree and shrub that grows on our property. His own yard is a garden of various

blooms, and he grows vegetables as well. Over the years he has seen many changes to our grounds and as the building has grown, the need for his landscaping skills has increased. Our staff at FPCE benefits from Jim’s expertise and generosity when he shares his knowledge of gardening with us. He will even harvest seeds upon request to share with others. Jim enjoys driving his little red lawn tractor from one side of the property to another, and he loves

seeing the results of his labor. When he isn’t outdoors, Jim can be found fixing something indoors, down in his workroom where he works wonders of a different kind. He helps keep this congregation comfortable both inside and out.

Jim & Raymona both love reading, and next to being raised on a farm, Jim credits his knowledge of gardening to being an avid reader on the subject of landscaping. If he gets stumped by a gardening question, he calls the OSU Extension Service for advice.

Psalm 84:10 can be used (with a few slight liberties taken) to describe Jim’s contribution to the ministry, and his passion for his current profession: “**Better is one day in your court(yard) than a thousand elsewhere; I would rather be a groundskeeper in the house of my God than dwell in the tents of the wicked.**”

Jim has been called into an additional kind of service over the past couple of years, and that is the daily care of his wife Raymona. She has been ill since 2007 and the tasks of cooking and cleaning have fallen to Jim. He appreciates cooking tips and recipes that people share with him.

So next time you see the amazing work of God’s hands through Jim’s efforts, say a prayer of gratitude for the richness of His creation- and remember our Groundskeeper, Jim.

Did you know that FPCE has a wonderful new member of our staff? After just two months of working with us, he has already brought a new dimension of experience and skill to our Communications Department. Bill has a quiet demeanor and gentle approach that blesses all who come in contact with him. Together with Zena Nipper, he will help us reach our congregation and community in creative and strategic ways. Please join us in giving a warm welcome to Bill Parrish, Director of Communications.

Born and raised in Cincinnati, Ohio, Bill is number 11 of 14 children. Bill is a graduate of The Art Academy of Cincinnati with a BFA in Communication Design. After a successful corporate career with the Rocky Mountain News in Denver, Colorado as an Editorial Illustrator/Page Designer, and with Bristol Myers-Squibb as Director of Creative Services, Bill answered the call in 1999 to use the gifts developed in the corporate world to support large churches with Strategic Communications.

Before being led to First Presbyterian Church of Edmond, he was Director of Communications for Perimeter Church (PCA) in Duluth, Georgia in Greater Atlanta. In 2007, he was led to Westlake Hills Presbyterian Church in Austin, Texas and worked closely with Joe Rightmyer. Bill has also provided design and strategic support for Outreach Marketing in Vista, California.

Bill’s wife Edna is originally from Hazard, Kentucky but raised in Dayton, Ohio. They met while she was a local radio Morning Show Host, and News and Public Affairs Director. Her gifts are many. Among them is her ability as a public speaker to minister to women. She is currently working on syndication of a ministry called, “Voices of Courage” collecting life-transforming stories and sharing them as testimonies for others to find the path to Christ. Edna is also an excellent cook. For fun and relaxation, when Bill isn’t getting his daily dose of ESPN, Bill and Edna enjoy a good book, Jazz and Classical music, and good hearty laughs. Among Bill’s hobbies are: singing, playing guitar, painting, drawing, watching CSI, House, and hanging out with Edna doing anything. Outside of home Bill’s favorite meal is Sushi. They have 2 adult children. Devin and Craig. Bill and Edna see their faith as simple: *Love God, Love People, Live Surrendered!*

Caregiver Support Group

by Marchia Peeler

As a longtime member of FPCE, I have discovered through the years that our congregation is made up of a “plethora” of members with a “plethora” of gifts. When I need help with a project or have questions about a service needed, I often find myself thinking, of who in our church I can call for help.

One situation that comes to mind is when it became apparent to me that my mother’s mental health was failing and I was faced with the fact that her living situation was going to need adjusting. I realized I had a source from our church - Rachel Boggess. At that time, Rachel was working at Third Age Life Center through Integris Hospital.

Rachel’s position at Third Age was Geriatric Care Manager and Community Educator. I called her and explained the situation with my mother. She suggested I attend the Support Group she facilitated that met twice a month. Well, I did and what a blessing it has been for me, -and a great resource as I faced other situations with my mother.

With that said, how many of you, in this congregation, are faced with

taking care of a loved one, friend, or neighbor? Do you sometimes feel as if you are not equipped to take this job on for very much longer?

Did you know that Rachel is Chair of Congregational Care for seniors and their families here at First Presbyterian? She also facilitates the Care Giver Support Group that meets here at First Presbyterian the 1st and 3rd Thursday of every month.

Rachel is available to help you find answers, solutions or point you in the right direction. Plus, she has 22 years of experience working with people faced with making difficult decisions about how to care for their loved one.

Think about it. Our church family is a great resource in times of need!

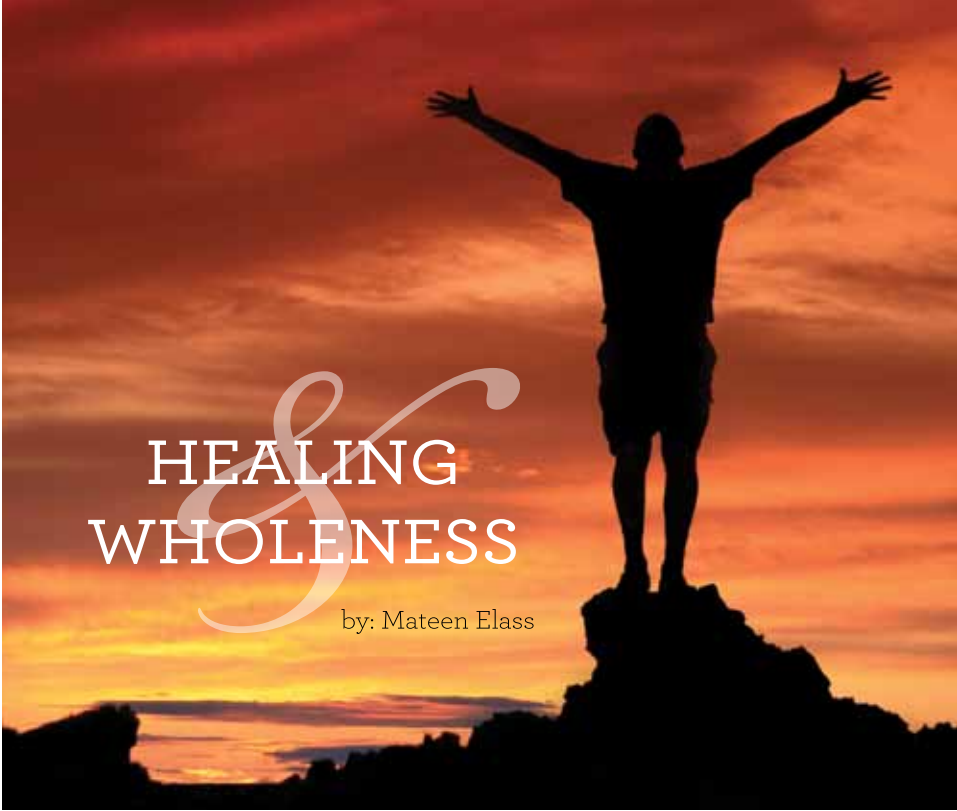

Experience the healing power of the Holy Spirit in the name of Jesus Christ.

Our healing and wholeness service, held on April 11th, brought people into the presence of God to experience the healing power of the Holy Spirit in the name of Jesus Christ. We were grateful to be able to offer the opportunity for this expression of the inbreaking of the Kingdom of God into our world of suffering and sorrow, and hope to do this as a monthly ministry.

Jesus is rightly known as the Great Physician. The Gospels are filled with examples of His healing work. He cured all manner of diseases and sicknesses. He cast out demons. He raised the dead. He used many means to demonstrate the Kingdom of God with power. His touch brought restoration; healing power flowed out from him to those who touched his robe; he cast out evil spirits with a word; he commanded Lazarus to emerge alive from his tomb.

Jesus fulfilled what was spoken through the prophet Isaiah in 53:5 – “He was pierced for our transgressions, he was crushed for our iniquities, the punishment that brought us peace was upon him, and by his wounds we are healed.”

During his earthly ministry, Jesus gave his disciples authority to heal the sick and cast out evil spirits.

HEALING & WHOLENESS

by: Mateen Ellass

Luke 9:1-2 records: “He called the twelve together and gave them power and authority over all demons and to cure diseases, and he sent them out to proclaim the kingdom of God and to heal.” His 21st century disciples have that same authority. Through Jesus we know God as a merciful Father who hears the prayers of His people and will answer them. And James 5:14 instructs us: “Is any one of you sick? He should call the elders of the church to pray over him and anoint him with oil in the name of the Lord. And the prayer offered in faith will make the sick person well.”

I have been teaching on the signs and wonders of Jesus and training a prayer team for the last several months. It is the fervent desire of everyone on the prayer team that each individual who comes to future services for healing will experience the love of God through the powerful ministry of the Holy Spirit.

We cannot, of course, guarantee physical, spiritual or emotional healing by our efforts, but we can love each participant as Jesus loves us.

If God chooses to send the Holy Spirit in ways that provide healing and wholeness, we will rejoice together.

We are called to trust that He will honor His promises. We know God loves us; His Word tells us to anoint the sick with oil and to pray for them, knowing that the prayer offered in faith will heal them. So we seek to be obedient to the Word of God and, in faith, pray for healing.

We invite you to come to our next service to be held May 9th at 7 p.m. at the church. Experience the love God has for you and let the prayer teams pray for you. If you have family members or friends who seek healing of any kind, ask them to come and we will pray for them as well.

May the power of our Lord Jesus be made manifest in our lives today and every day, to the glory of God our Father!

- Mateen

FAITH Lessons by John Gruel

Last summer for the combined Sunday school class, we showed the Truth Project DVD series. The lessons were well constructed, the content was solid, and the class was well attended. Many voiced their appreciation for the series and hoped we could offer something similar in the future!

This summer we are planning a similar experience using the “Faith Lessons” curriculum which, like the Truth Project, is produced by *Focus on the Family*. We will be offering fourteen classes beginning June 6 and extending through September 5.

The class will be hosted by a pastor each week and will include the video presentation followed by a time for guided discussion. We will be able to cover volumes 1 (The Promised Land) & 2 (The Prophets and Kings of Israel), and at least part of volume 3 (Life and Ministry of the Messiah).

This series is filmed on location in Israel and offers an in-depth video tour of the places where the stories of the Bible actually happened. From this perspective teacher and historian Ray Vander Laan challenges long held assumptions about even the most familiar passages of Scripture and provides insights which will truly transform your reading of the Bible.

This promises to be an interesting and illuminating study. We hope to see you there, especially if your regular Sunday school class is taking a break for the summer. For questions about Faith Lessons, please contact me, John Gruel at 341-3602, x227/jgruel@fpcedmond.org.

John Gruel is Missional Leader & Associate Pastor of Christian Education

Summer Offerings

Becomers

Room 2124, Led by Bill Hainer

The Becomers Class will continue its studies using study resources from Charles Colson. Colson is an internationally known commentator, columnist, author and founder of Prison Fellowship. Among the resources used are Faith (What Christians Believe, Why They Believe It, and Why It Matters); Politics and the Christian Faith; and Defending the Truth. Come join them for some “lively” discussion!

Bill Hainer has been a member of First Presbyterian for 23 years and has served as Adult Sunday School Coordinator in the past. Bill has been a member of the Becomers class since it started and has been mentored by such former teachers as Raleigh Holt.

Summer Class: FAITH LESSONS

Room 2115, Led by the Pastors

This summer in the combined adult class we are planning on using the “Faith Lessons” curriculum which, like the Truth Project, is produced by Focus on the Family.

We will offer fourteen classes beginning June 6 and extending through September 5. The class will be hosted by a pastor each week and will include the video presentation followed by a time for guided discussion.

We will cover volumes 1 (The Promised Land) & 2 (The Prophets and Kings of Israel) and part of

volume 3 (Life and Ministry of the Messiah).

This series is filmed on location in Israel and offers an in-depth video tour of the places where the stories of the Bible actually happened. From this perspective teacher and historian Ray Vander Laan challenges long held assumptions about even the most familiar passages of Scripture and provides insights which will truly transform your reading of the Bible.

Building FAITH/Building FAMILY

Room 2114, Led by Alvin Myers & Mike Heinen, w/class members’ assistance

Building Faith/Building Family will use a combination of topical and video based material with group discussion. The topics will always be focused on building our Faith as it relates to our personal and family life.

Building Faith/Building Family is a class made up of adults in the 30's, 40's and 50's with children ranging from infants to college.

Women’s Sunday AM Bible Study:

Class Study: *Spiritual Realities Illustrated in Earthly Actualities*

Room 2106, Emily Blaess

Let’s see how God uses marriage and other practical life applications to teach us and give us practice in spiritual realities. Women of all ages are welcome, and will find

age appropriate meaning and application for life right now!

Emily Blaess, an inactive Elder of FPCE, coordinates the Women’s Sunday Morning Bible Study including curriculum, writing and teaching. Having grown up in FPCE, she has a love for the history and mission of the church. and delights in enabling women to study God’s Word and apply it in their daily lives. Emily also has a passion for the whole wellness of women and is currently completing her Masters degree in Wellness Management at UCO.

The Called

Room 2101, Led by Tim Hast

Class Study: *The Cost of Discipleship*, by Deitric Bonhoffer

The “Cost of Discipleship” is a compelling statement of the demands of sacrifice and ethical consistency from a man whose life and thought were exemplary articulations of a new type of leadership inspired by the Gospel, and imbued with the spirit of Christian humanism and a creative sense of civic duty.

Tim Hast has been married for 30+ years, they have two adult children and one grandchild. Tim holds a M.Ed degree from UCO and is a licensed professional counselor.

Summertime fun for the kids *and the whole family!*

by Linda Birsner

Sit back, relax & imagine someone else doing all your planning for you. (I imagine you are there already) Summer is just around the corner. You can see it, taste it, hear it, smell it & feel it! It isn’t a time to be overprogrammed - it’s a time for fun times together as a family!

Instead of taking the chance that you had already scheduled the vacation, signed up for sports camp, ended up sick, had grandma visiting... yada, yada, yada, VBS will be spread out into 5 big events. They take place throughout the summer, so if you must miss one, you can make the other!

This Summer, Kids’ Ministries at First Pres is going “5D” and we want you to be there! Summer Story 5 is a wonderful opportunity to experience God together and build on that as a family. Each of these events has just that in mind!

It’s vbs (x5)

1 June 12 Family Fun Day at VOX Printing (2:10pm)
A giant water slide, a mud pit, campfire, worship, games, food, laughter, fun and fellowship for the whole family!

2 June 27 Concert in the Park with Alan Root (6-8 pm)
w/free hot dog dinner!

Real guitar. Real Person. Real ministry. Rock Musicianary from Nashville, Tennessee, Alan Root, will be in concert at Hafer Park. According to Michael W. Smith, “Alan is a sincere and gifted minister of the Gospel.” The work that he has done with tweens and their families, is unique- and needed. I don’t know anyone out there with a bigger heart or a bigger vision for our kids. His work is amazing and I highly encourage you to check it out!

Alan was called to kids’ ministry by a seemingly harmless comment to him by Michael W. Smith. He’s since been signed as an artist for Word and Starsong Records. He wrote and performed the music behind Sandi Patti’s reading of the International Children’s Bible. is a recipient of 3 national Telly awards, and has also written, arranged, produced and performed music for McDonald’s, Wrigley’s, General Mills, Oscar Meyer, Kellogg’s, Dr. Seuss and Sesame Place.... the list goes on! Check out Alan’s website at www.alanroot.com.

The 3rd, 4th and 5th “dimension” of this summers kids’ activities

(continued on page 20)

(continued from page 19)

follow with more fun-filled adventures:

3 July 29 Are You “Board?”
(6-8:30 pm)
Consider this a family style VBS evening. We'll begin with a large group opening, break out into stations where we will experience life size board games and more! We'll end the evening back together in the Family Life Center to make your own Sundae!

4 August 28: Pelican Bay Pool Party!
(6:30-8:30 pm)
End-of-Summer celebration! Put on your suit, grab a friend and jump in!

5 Sundays: High Seas Adventure
(9:45-10:45 am)
Set sail for an exciting “High Seas Adventure VBS experience every Sunday. Feel sea spray on your face as sails snap overhead. You and your crew will plunge through rugged waves—and experience the deep, rolling waters of God’s love. We’ll know God’s Word is true as God frees Peter from prison. We’ll experience that God’s Word is comforting when God comforts Paul in a storm at sea. We’ll discover that God’s Word is surprising when we find that Paul survives a bite by a poisonous snake. We will understand that God’s Word is life-changing as Peter and John teach about Jesus. Foremost, we will show that God’s Word is for everyone, as a community of believers share.

Summertime Fun:

Rolling Green
Apartments Ministry

We will meet at the kitchen at First Presbyterian weekly on Thursdays at 5:00 to prepare sacks of hotdogs, chips, drinks and cookies. Once the bags are assembled, we will head to the apartment complex to share supper with the

residents. We’ll play ball and games, facepaint, blow bubbles, and most importantly be the hands and feet of Jesus! We also plan to lead the kids in a relevant Bible study after supper and recreation.

Camp KidJam
JUMP! Put faith in motion!
Austin College, Sherman, TX
July 22-25, 2010
\$265/person - Scholarships available

Camp KidJam gives kids an opportunity to find answers to some of those vital questions through practical applications like how to navigate the Bible, how to personalize Scripture, how to worship God with their life. It is a new concept in

children's camp designed, not only for kids going into 4th-6th grade, but for their leaders.

At Camp Kidjam, kids grow in wisdom, faith and friendship. We will also look at Paul's journeys and watch the story of his radical faith unfold. From the moment his faith was sparked by the light on the Road to Damascus, all the way to the crucial works of Paul and Timothy speaking to the next generation of the church, we trace Paul's story of faith—a never-ending adventure.

MARRIAGE
RESOURCE BANK

These resources are provided by FPCE member Jack Myrick of the Oklahoma Marriage Initiative and advisor to the Marriage Ministry.

Should we wait until we’re older to get married?

Waiting may be the answer to a longer, happier marriage. Greg and Amy, both still in high school, can’t imagine not being together forever. They want to get married right after school. But their parents think that’s too soon.

Sound familiar? In Oklahoma, people get married younger than the average American. 44 percent of Oklahomans get married before they turn 20. In other states, more people wait until they are 20 or older to get married. These states also have lower divorce numbers.

So, it may surprise you to learn that getting married at a young age can up your chances of getting a divorce. In fact, most of the divorced men and women in Oklahoma said that getting married too young was a reason they got divorced.

While many couples that marry before they turn 20 stay together for a long time, those who wait a few years are less likely to divorce. Here is some information young, dating couples should think about before taking the plunge:

- Older couples usually do better in marriage because they are more mature.
- People in their twenties are more settled.
- Older couples usually have a job or are in school and have started making plans for their future.
- Teens, especially young men, are typically not ready to make big decisions about their future.

So what is the best age to get married? For many people, although not everyone, the middle to late twenties seems to be the best time to marry. If you’re young and thinking about getting married, take some time to get to know each other better. Explore your dreams and options as an individual so that when you do marry, you’ll have a good sense of who you are, and what you can bring to your marriage. Healthy marriages take time, and if you’re young, time is on your side.

If you want to learn about healthy relationships and marriage, go to www.okmarriage.org.

This tip sheet was prepared for the Oklahoma Marriage Initiative by Courtney Harrison, MPA of Public Strategies; Christine Johnson, PhD of Oklahoma State University; Norval Glenn, PhD of University of Texas; and was approved by the OMI Research Advisory Group.
